

## Board Memo 059-12

Executive Board Members,

In the Expedited Restructuring Timeline for EAS employees, NAPS observed that impacted AMS employee's first opportunity to apply for vacancies other than EAS-19 and above would be November 20, 2012. This date is one day later than the irrevocable VERA date that is shown on the timeline as being November 19, 2012 (see attached)..

NAPS requested that AMS employees who apply for a VERA prior to November 19, 2012 and who are successful candidates for vacancies prior to December 31, 2012 be allowed to withdraw their VERA request. The USPS agreed that any impacted AMS EAS employees will be able to rescind a VERA request if they subsequently are successful applicants for vacant positions prior to December 31, 2012.

Please share this information with your local branches.
